# ABOUT THE STORY PROJECT

---

The Story Project was founded on a simple but powerful belief: every child deserves to feel seen, understood, and inspired.

We:

- Curate diverse, high-quality books that open up conversations about friendship, identity, family change, grief, and more.
- Train teachers to use these stories to build children's reading confidence, emotional literacy, and resilience.
- Provide ongoing support so schools can embed story-led learning as part of everyday classroom life.

“It's the most impactful initiative I've seen in 25 years of teaching.”

— Deputy Headteacher, Bradford Primary School

## WHY IS MATTERS

Right now, too many children are struggling to read, to connect, and to feel understood. The Story Project helps change that - by giving schools diverse, high-quality books, training teachers, and building children's confidence through story-led learning. By becoming a Friend of The Story Project, your business can play a part in helping children thrive, while showing your commitment to your community.

# MEMBERSHIP

**£2,000 per year**

---

## Mission

Membership: £2,000 per year

As a Friend, you'll receive:

Bi-annual newsletter with real stories and updates from our schools

Acknowledgement on our website as part of our Friends community

End-of-year impact report to share with your staff and stakeholders

Recognition on social media when you join and renew

A digital "Proud Friend of The Story Project" badge for your website or email

Invitations to occasional online "story sessions" - short, inspiring events for employees on how stories support children's wellbeing

---

## Why join?

- Simple, cost-effective way to support children's literacy and wellbeing
- Recognition for your business in a growing, values-led movement
- A stepping stone to deeper corporate partnership opportunities

Together, our Friends help us reach more schools, more teachers, and more children - ensuring every child has the chance to feel seen, understood, and inspired.
